

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 336 – HB 806

February 4, 2013

SUMMARY OF BILL: Extends the termination date of the Health Services and Development Agency (Agency) to June 30, 2017. Under the *Tennessee Governmental Entity Review Law*, the Agency is scheduled to terminate on June 30, 2013. Requires four of the six members appointed to the Agency by the Governor be appointed from lists of qualified persons provided by interested groups, including the Tennessee Hospital Association, the Tennessee Health Care Association, the Tennessee Medical Association, and the Tennessee Association for Home Care, rather than from a list of nominees provided exclusively from the four named entities. Requires the Governor to consult with interested groups to determine qualified persons to fill positions with the Agency.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- This bill continues an existing entity at its current funding level.
- According to the Governor's Recommended Budget Document for FY13-14 (page B-167), total recommended funding for the Agency for FY13-14 is \$1,098,500 (state funding).
- Any increase in state expenditures for the Governor to consult with interested groups and to name members to the Agency from a potential different pool of nominees is estimated to be not significant.
